

Recognizing Our Top Donors in 2014

We appreciate every donation made to the Royal LePage Shelter Foundation. During 2014, with your support, we raised **\$2 million!** The list below represents the Top 1%, 10% and 25% of donors during the year who provided commission donations or other personal financial gifts to the Royal LePage Shelter Foundation for which an official charitable donation receipt was issued.*

* While fundraising events play a critical role in the success of the Shelter Foundation, this list does not include those who helped to organize fundraising events as it's not possible to attribute event proceeds to specific individuals. We are very grateful to all Royal LePagers who organize and participate in fundraising events in support of the Royal LePage Shelter Foundation.
